

Sanika modelboat and -ships

>> ENGLISH VERSION

Welcome to Sanika modelboats and -ships.

Sanika model boats and -ships has monopoly in Estonia to sell Billing Boats which is a part of a big hobby program in model ships.

Some models are only to be a decoration- and other models can be used with radio-control. This hobby is good for all ages, without exclusions.

We have ship models for: - The Beginners, The Advanced Beginners, The Experienced Builder, and The Expert.

You need to now, that it will take more time, than one evening, to construct your model boat. When you buy a model boat, you get sketching a description in 8 languages, and all fittings.

There are some things you do not get with your model, such as:

- Glue, paint, brushes, knife, sandpaper, wood-filler, motor and radio control if you want your model to move.
